HAZEL D. MOYLE

GROWER OF

PRIMROSES, FINE ALPINES AND

ROCK PLANTS

Address:
 HOLLADAY DRIVE and
 KNUDSEN'S CORNER

Phone:
 HOLLADAY 83-J2

The following list of rare plants for the woods, the pool, the cool shaded place and for the rock garden are grown within the shadows of Utah's famous Wasatch range and within easy reach of Salt Lake City. Although the seed for these plants has come from all parts of the globe, it has been selected for its hardiness and adaptability to our climate, - producing plants that are now from one to two years old and are ready for bloom next season.

PRICES OF PLANTS: Unless otherwise noted are 25¢ per single plant;
 \$2.50 per dozen; \$20.00 per hundred. Add 10¢
 extra for parcel post orders.

* * * * *

Aethionema Pulchellum - A dainty small evergreen shrublett. In May literally covered in heads of delicate pink flowers. 6 in. One of the finest plants entered here. Well drained sun. Two year plants 40¢ each.

Alyssum Saxatile Citrinum - Grey green foliage covered in May with masses of soft yellow flowers. A great improvement in color over the common glaring yellow. 8 in.

Anemone Pulsatila - Ferny foliage. The flowers are like great mauve crocus with prominent yellow stamens - 9 in. Beautiful.

Anemone Japonica "Whirl-wind" - One of the fall's loveliest flowers 3 ft. tall with pure white flowers resembling a narcissus. September blooming - 40¢ each.

Armeria Maritima - Evergreen rosettes producing in May and June heads of beautiful rosy pompons. Blooms all summer if not allowed to seed. 30¢ each.

Aster Alpinus "Goliath" - A lovely rock plant. Masses of bloom daisy like flower of clear violet with brilliant orange center 2 in. across. June -

Astilbe - A lovely plant for a shady place in rock garden or border - Feathery panicles of beautiful pink bloom 2-3 ft. Requires plenty of moisture. Fine for side of pool. 50¢ each.

Aubretia - One of the rock garden's finest plants and one of the easiest to grow. A carpet of close evergreen simply covered in Spring with a mat of flowers in shades of lavender and pink.

Utah

We beg to announce that owing to the death on November 24, 1931 of Mr. Ben Johnson, famous botanist and collector of rare native Western seeds, we have taken over the collection of seeds that were gathered by him last fall. We are offering these in a separate list together with our own catalogue of rare alpines and Primula plants and it will be our pleasure to serve Mr. Johnson's friends and customers.

Please send orders for any of the enclosed list of seeds and plants to

Cottonwood, Salt Lake Co,
Utah

Campanula - The campanula family offers us some of the choicest treasures for the rock garden. We are happy to offer the following which are among the finest campanula obtainable for the rock garden.

Campanula Carpatica Turbinate - An improved form. Large compact tufts with clear large blue cups of bloom from June on through the summer. 30¢ each.

Campanula Garganica - An exquisite alpine bell flower. Dwarf tufts with delicate trailing stems of star shaped bells clear blue with white center. One of the best - 50¢ each.

Campanula Laurii - Close mats of green from which arise delicate stems with large upturned open bells of lovely lavender. One of the best. 40¢ each.

Campanula Porchenschla Gianna - A lovely little plant with a terrible name. Forms low compact masses of green covered with pure lavender bells in June. Spreads to wide mats. Beautiful and easy to grow. 35¢ each.

Campanula Pusilla - A most charming little thing hung with fairy like bells in greatest profusion for a long period of time. 35¢ each.

Campanula Persicifolia - Beautiful open bells on 3 ft. stalks. A fine garden bell flower.

Campanula MEDIUM - Canterbury Bell for the hardy border. FINE Plants. 15¢ each. \$1.50 per doz.

Delphinium - Young plants of finest seed to be obtained in America. Will give you some marvelous blooms. Double - in every combination of color, - mauve, purple, pink, blue. 35¢ each. Ready in spring. Old established clumps for Fall planting available.

Dianthus Arvernensis - A tiny dainty alpine pink to plant in rocks in full sun. Forms a close mat from which delicate little miniature pinks shoot in the greatest profusion. If you admire miniature loveliness buy this. 40¢ each.

Dianthus Cruentus - Low tufts from which spring large stems of brilliant scarlet heads of bloom. Very unusual. 35¢ per head.

Dianthus Deltoides - A mass of fragrant bloom - brilliant rose. Easy grown - 6 in. tall.

Dianthus Gallicus - Glaucous blue foliage with delicate feathery pink bloom. Fragrant and ever blooming if not allowed to seed. 10 in.

Dianthus Alwoodii - Finest strain of garden pink in existence. From a famous English house. Ever blooming.

Erodium Macradenum - A beautiful subject for the rock garden. Delicate lacy foliage with small pink blossoms streaked with black. In bloom all summer. 35¢ each.

Gypsophila Repens - An easy plant for sunny place covered in delicate white flowers. 3 in.

IRIS

I offer a beautiful Iris for the rock garden although I cannot give its name. A fine thing for sunny place where it can have some moisture. Grass like foliage 9 in. tall with lovely blooms of soft yellow - beardless with distinct crest. This is a very rare unusual plant, - 50¢

Iris Bulleanna - A beardless Iris from China; similar to Siberica. Deep blue blooms striped with gold. Fine for pools. 35¢ each.

Iris Ochrolenca - Noble plant 5 ft. tall with large pure white flowers gold blotched. Fine for pool or border. 35¢ each.

Iris Pumila - The dwarf purple Iris that blooms in March with Forsythia and crocus.

Iris Siberica - Invaluable for planting near a pool. Beautiful and delicate bloom with tall grass like foliage. Large clumps for immediate effect. 40¢ each.

Linaria Alpina - An alpine of most engaging charm. Delicate tufts of green simply covered with tiny miniature snapdragon - like blooms of mauve with orange throat. Full sun and good drainage. Several periods of bloom. 3 in. - 30¢ each.

Linum Flavum - A beautiful flax growing 1 foot high covered in golden yellow blossoms. 30¢ each.

Linum Perenne - The old but beautiful blue flax. 10¢ per plant. \$1.00 per doz.

Lychnis Sarortori - A new plant from China. Evergreen tufts of foliage with stems of brilliant rosy mauve flowers making the plant a compact mass of color when in bloom. One of the finest rock plants I have ever grown - 12 in. tall - 40¢ each.

Lily Regale - This lily has proved itself the easiest lily for garden purposes as well as one of the most beautiful. Does well in ordinary garden conditions. Blooms in June with the delphinium. Large white blooms suffused with yellow inside. Outer petals shaded pink. Blooming size bulbs 20¢, 25¢ and 35¢ each. 12 for price of ten.

Myosotis - Forget-me-not. An indispensable for spring garden. This plant grows so naturally in Cottonwood that we can offer it at the extremely low price of 75¢ per dozen. \$6.00 per 100.

Nepeta Mussinii - A very good plant for rock garden or border. Grey green foliage and beautiful lavender bloom for a long period.

Papaver Coonara - We offer a limited number of plants of this new strain of Iceland poppy in shades of pink and rose. New - 40¢ each.

Papaver Nudicale - Iceland poppy in the beautiful brilliant Tangerine shade. 35¢ each.

Penstemon Cynanthus - One of the most brilliant blue flowers in all the flower world. It blooms early - usually in time for Memorial Day. Stems 18 in. strung with gorgeous open trumpets of an exquisite blue tinged with opalescent colors at throat. Should be in every garden. Grows best in a sunny dry place. Large plants 35¢ each.

Phlox - We offer Phlox in 12 of the finest varieties at \$2.50 per dozen.

PRIMULA

This is our specialty. The primroses are the most valuable things obtainable for a shady spot. Where grass will not grow - primroses will thrive and bloom exotically if given water and a moderately rich soil. Nothing can exceed in beauty a planting of English primroses. The following are offered this season.

English Exhibit an strain - This is composed of the very cream of the English improved strains. Flowers in every shade of cream, yellow, red, bronze, orange and rose. Give these some shade and moisture and you will be delighted with their brilliancy. 25¢ each - \$2.50 per doz. - \$20.00 per 100.

Primula Denticulata - This lovely thing is very startling in its season of bloom early March with the crocus. It sends up stems on which are round balls of bloom of a lovely clear lavender - Each little blossom has a yellow eye. Perfectly hardy. Bloomed through a snow storm last season. Would do well in a pocket in rock garden shaded from hot sun.

Primula Frondosa. The fairy primrose. A most delicate little thing only 4 in. high simply covering itself with little lavender flowers. April. Fine in rocks if given a little shade. 35¢ each - 3 for \$1.00.

Primula Cockburneanna - A new primrose from China. Sends up stems of brilliant vermilion - red whorls of bloom in May. A most striking color. A colony of them planted close together in the rocks is very effective. Can stand some sun.

Primula Bulleanna - Another Chinese primrose. Blooming with Cockburneanna the two form a beautiful picture. Tall stems of apricot orange flowers. Fine in rocks. 35¢ each.

Primula Pulverulenta - A wonderful flower growing in dense shade if given good moisture. Tall stems with whorls of rich red flower with deep orange eye.

P. Pulverulenta Pink - The same except delicate pink flower suffused apricot. Lovely.

Primula Japonica - This primrose must have shade and moisture and will reward you with gorgeous heads of blooms 1 to 2 ft high. We offer in the following colors; rich deep rose, pink, pale pink and white or mixed. May.

Primula Red Hugh - This primrose blooms in late April just after the English primrose. A most rich and brilliant red color. A famous English primrose.

Primula Vietchii - A most brilliant and frank magenta. Lovely in a shady spot. Decorative heart shaped foliage. 35¢ each.

Sedum Acre - Fine mossy foliage with yellow sprays of bloom.

Thymus Serpyllum - Close creeping green mat with delicate pink flowers - fragrant.

Veronica Rupestris - A beautiful rock plant. Prostrate stems with delicate blue spikes of flowers in greatest profusion. June - Sun or shade.

VIOLA

The viola will bloom from early spring until snow, in sun or part shade if given moderately rich soil and plenty of water. We list the following fine varieties:

Blue Perfection, deep blue, persistent bloomer

Primrose Dame, clear yellow

Purple King, large purple flowers

25¢ each - \$2.50 per doz.

Viola Gracilis Lord Nelson - Most perpetual viola in cultivation, rich glowing purple. - Large plants - 35¢ each.

V. Jersey Jewel - The newest viola. A lovely warm deep mauve extremely floriferous. Large plants - 35¢ each.

V. Nora Marrow - A fine English viola - large blooms - soft mauve. Large clumps - 35¢ each

V. Apricot - A lovely thing - rich deep apricot color. 35¢ each - 3 for 90¢.

V. Cyclops - A saucy little fellow, brilliant purple, blotched with white - fine in the rock garden.

V. Admiration - A clear blue viola - free flowering.

V. Haselmere - Soft lilac color - appreciates a little shade.
